

1. Színezd ki pirosra azt a vázát, amelyikben a legtöbb tulipán van!  
Sárgára, amelyikben a legkevesebb.

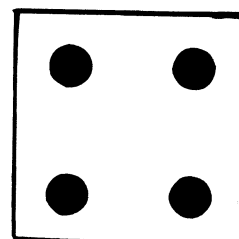

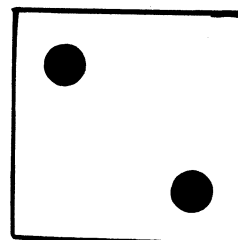

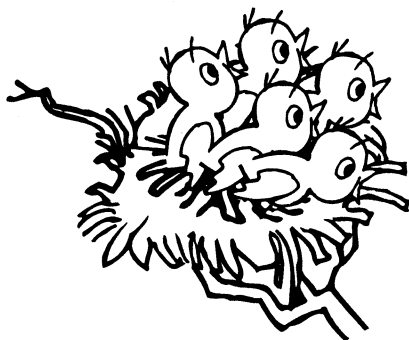

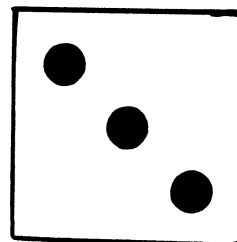

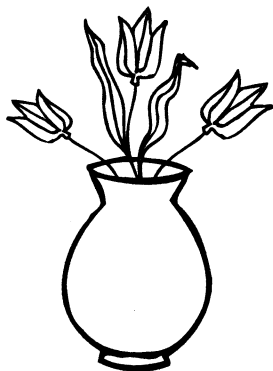

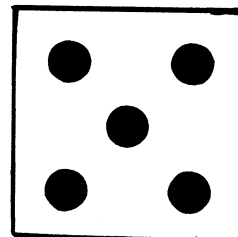

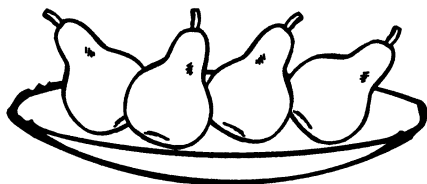

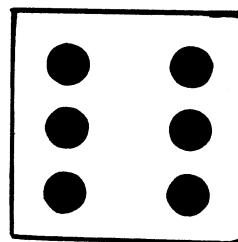

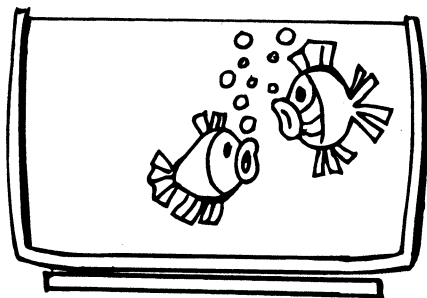

2. Egészítsd ki a rajzot úgy, hogy mindkét tálban ugyanannyi alma legyen!

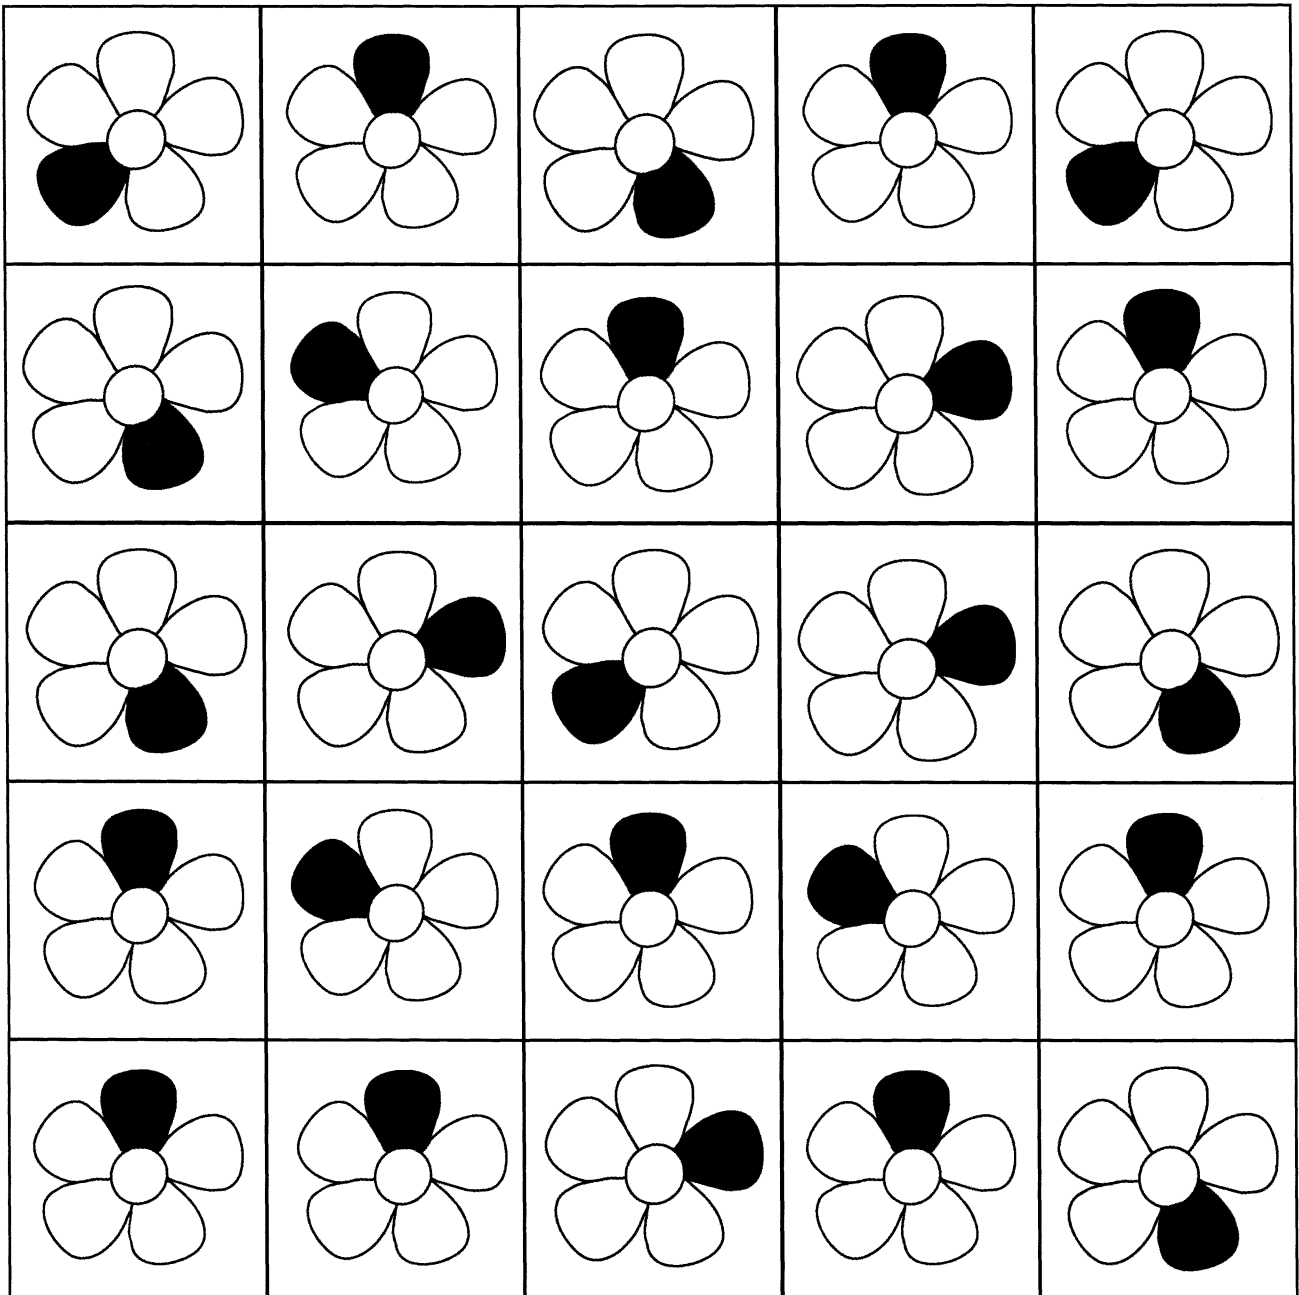

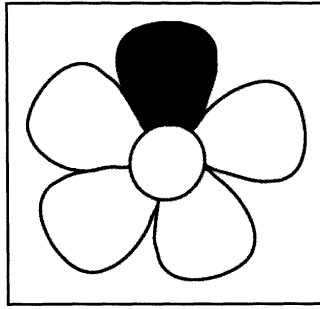

3. Jut-e minden egérkének sajt? Rajzolj annyi sajtot, hogy minden egér-  
kének jusson!

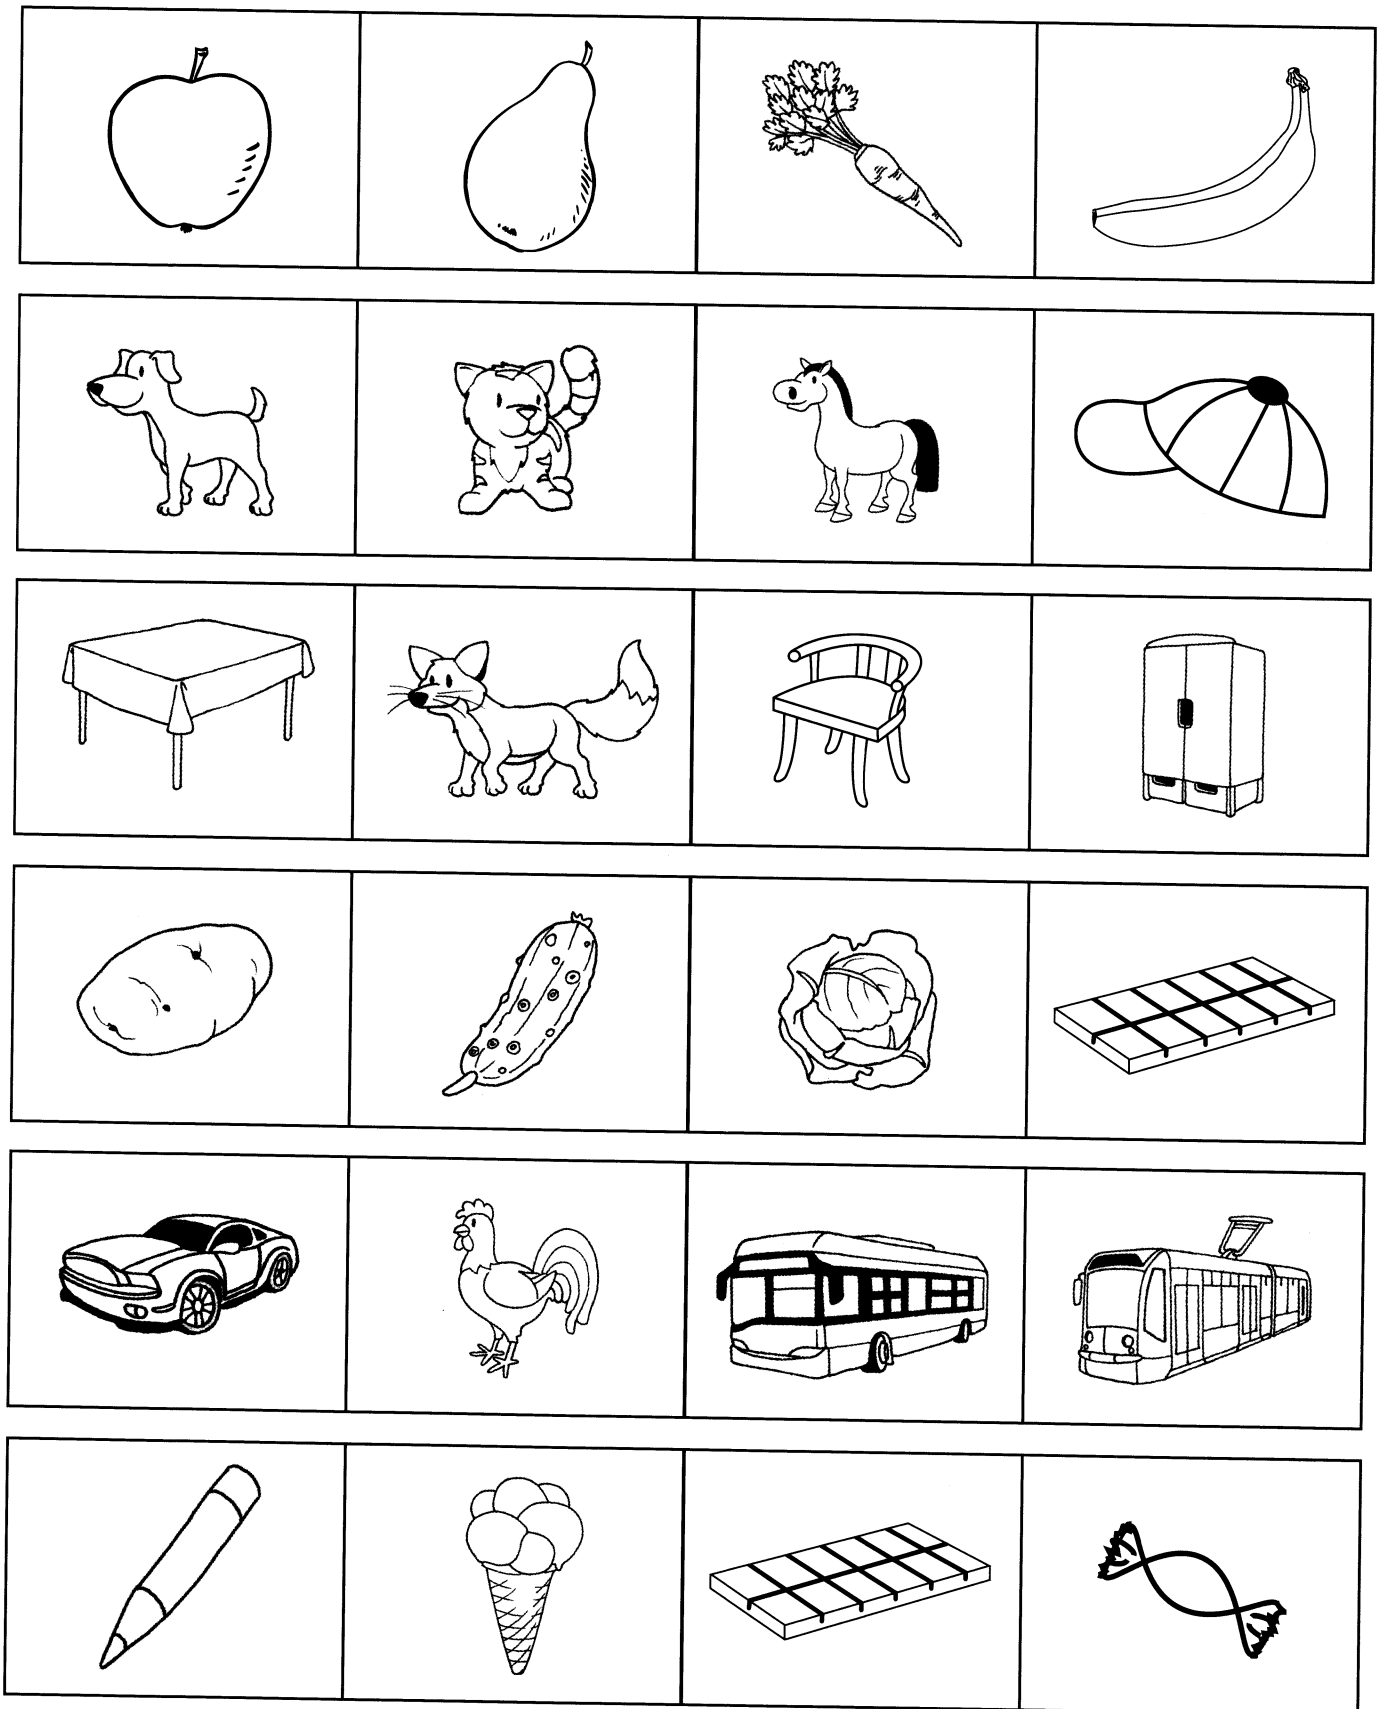

1. Kösd össze a különböző számú formákat a megfelelő dominóval!

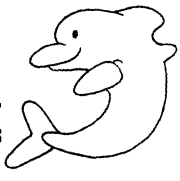

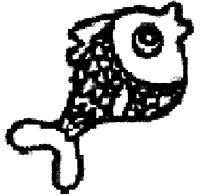

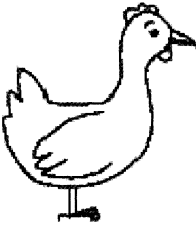

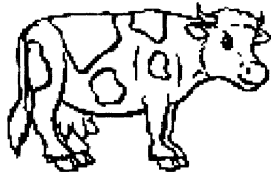

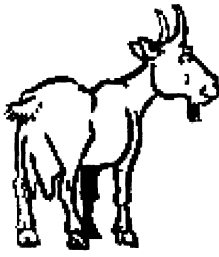

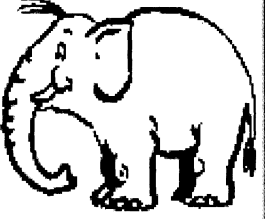

**Karikázd be azokat az ábrákat, amelyek megegyeznek a felső képpel!**

Melyik a kakukktojás? Színezd ki! Mondd el, miért!

Sorold fel, milyen állatok laknak a házban! A macitól kezd, és mindig balról jobbra haladj!  
Karikázd be azt az állatot, ami...

az első ebben a sorban					
az utolsó ebben a sorban					
középen van ebben a sorban					
a sor két szélén van					

Nézd meg még egyszer a 2. sort! Most letakarom.  
Mondd el sorrendben a lakók nevét!

Rajzolj az üres táblába a mintának megfelelően!
